FIFTY-FOUR YEARS OLD

THE TOWNSHIP REGISTER, NILES, CALIFORNIA

FRIDAY, JULY 17, 1942

NUMBER 29

## SUNDAY, JULY 26 SET FOR METAL DRIVE AT NILES

NILES RESIDENTS ASKED  
TO PLACE SCRAP METALS  
ON CURB ON JULY 26

Sunday, July 26 has been selected as the day when donated trucks will go up and down every street in Niles, picking up donated scrap metals by the Niles Salvage Committee, of which Dr. T. C. Wilson, president of the Niles Chamber of Commerce, is chairman.

Farmers living in the Niles School District who have worn-out machinery or parts to donate to this cause who are too busy with their fruit harvest to have time to haul it into Niles will please call Niles 4442, the Hansen Lumber Company, leave their name and the location of their property, and give some idea of the amount of old metal to be picked up and the Salvage Committee's donated trucks and volunteer helpers will call for it on Sunday, July 26.

At the Pacific States Steel junk receiving yard a man will be on duty that Sunday, July 26, from 9 a.m. to 3 p.m. to weigh in and receive loads of scrap iron and other metals (EXCEPT tin cans and other articles made of galvanized iron or having a galvanized surface like barbed or fence wire, or ordinary water pipes).

The steel company wishes it noted that NO MONEY will be paid for tin cans or galvanized iron pieces, therefore these two sources of metal are NOT WANTED in this drive. Any other metal, such as iron steel, copper, brass, bronze or aluminum will be eagerly received to help keep Uncle Sam's war factories provided with raw material.

Businessmen and householders are asked to park their junk metal on the curbs outside their homes or places of business not later than 9 a.m. on Sunday, July 26, so the trucks and volunteer workers will not have to make return calls.

More volunteer workers are needed to help load the trucks. Contractor E. E. Dias has donated the use of one of his trucks as has the P. C. Hansen Lumber Company. Put on your old clothes that Sunday and help in the Niles "Junk Rally".

Out-of-town residents who have no way of getting their metal to Niles are asked to telephone the Hansen Lumber Company at Niles 4442 as soon as possible and leave their names and addresses. Heading the list so far are A. L. Bailey of Niles Canyon; Mrs. Frank Perry on Highway 17; the Vieux Bros. Electric Co. and the Township Register, all of whom have metal to donate.

WANTED: are broken lawn mowers or farm and garden tools; broken farm machinery and parts; old automobile frames or parts; broken motors or pumps; pieces of black metal pipes; worn out steel frying pans, electric fans, or ANY unneeded object made of metal other than galvanized iron.

This is an excellent chance for farmers to clean up the "grave yards" on their ranches. It is also your patriotic duty, and there are only nine days left until Sunday, July 26, so GET BUSY!

Note: government authorities wish it understood that these local Salvage Committees are not just temporary, but must function "for the duration." Parties who in the future have any appreciable amount of worn out machinery are asked to contact the Niles Committee at Niles, 4442 or see Dr. Wilson in the Ellsworth Building at Niles.

**CAMP CANCELLED**  
**IRVINGTON** — The annual summer encampment of Reorganized Latter Day Saints, which has convened here for the past 22 years, with upwards of 5,000 persons attending each year, has been cancelled because of existing war conditions, according to Lewis H. Adams, in charge of the camp grounds here.

### SON PROMOTED

Mr. and Mrs. J. C. Shinn have received word that their son, Allen, has been promoted to the rank of lieutenant commander in the U. S. Navy. Lieut. Shinn, graduate of Annapolis, is stationed at an East Coast port. His wife, formerly Miss Sevilla Shuey, of Berkeley, and children, now near him, will return within a few weeks to visit in the Bay section.

## TOWNSHIP GOES "OVER THE TOP" IN USO DRIVE

Washington Township residents went handsomely "over the top" in attaining and passing their \$3,000 quota in the United Service Organization drive which began in June and ended on July 4, R. A. Blacow of Niles, Township Chairman, is happy to announce.

The exact sum turned in to County Headquarters from Washington Township donors was \$3,236.53, derived from the following communities in the following amounts:

\*Centerville, \$587.45  
\*Decoto, \$300.00  
\*Warm Springs, \$106.00  
\*Mission San Jose, \$108.75  
\*Newark \$623.83  
\*Alvarado, \$484.50  
\*Niles, \$726.00  
\*Irrington, \$300.00

(\* indicates town exceeded quota.)  
The chairman extends his sincere thanks in completing this undertaking, to the following town chairmen and their committees:  
Alvarado, Earle Hellwig; Irvington, Carl Christensen; Centerville, Jack Rees; Decoto L. W. Musick; Newark, Rev. J. L. Webster; Niles, E. A. Ellsworth; Mission San Jose, Joe Semas and Warm Springs, John Smith.

## LEGION ELECTS DELEGATES TO DIST. COUNCIL

Delegates to the Tenth District Council meetings for the coming year were elected at last Wednesday night's meeting of Washington Township Post, American Legion, as follows:

Commander Sam Scott, Adjutant Frank Veit, Comrades George Smith and A. M. Hallstrom. Alternates: Comrades Jack Vieux, Arthur Cotton, John E. Dutra and Jos. F. Corey. The vote was unanimous.

Comrade Corey served as Commander in the absence of Scott, who was on vacation. The Post voted a sum to pay the expenses of Adjutant Veit to the annual State Convention to be held in Los Angeles the middle of August.

Walter Wayne reported on the condition of an unfortunate veteran who was permanently disabled and living on only a very small compensation. Comrade Dutra was appointed to investigate the matter.

Upon complaint made by Wayne, backed up by Smith, Hallstrom, Vieux, Dutra and Corey, that the two Legion men on duty at the Veterans hall on Monday, Wednesday and Friday evenings were totally inadequate to handle the large number of selectees awaiting assistance in filling out their questionnaires.

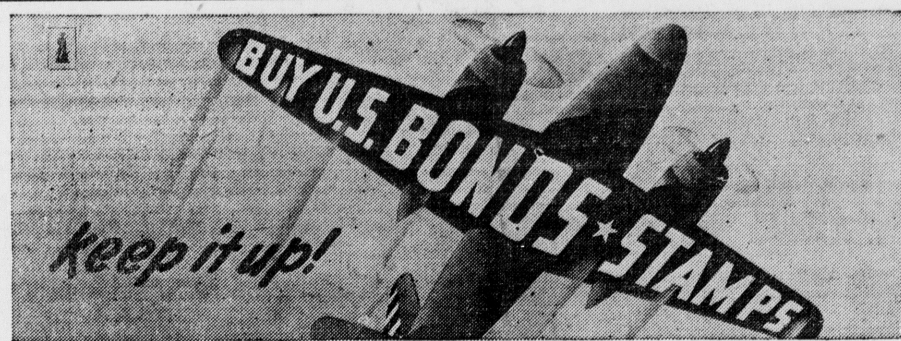

The chair appointed Comrade Dutra to see Judge A. G. Norris, chairman of Draft Board 75 with the suggestion that Chamber of Commerce members, or other persons outside the Legion, report at least three in number every Monday, Wednesday and Friday evening to help handle the crush of men waiting help with their questionnaires.

There are at least 30 selectees waiting each sign-up night and the two Legion men on duty do not clear these men until about midnight, the two hour volunteer duty stretching out to five hours.

Dutra was also asked to request the Judge that the mimeographed notice clipped to the outgoing questionnaires be re-worded to lead to the effect that intelligent selectees should fill out their own forms themselves and bring them to the Memorial building only for checking and witnessing.

In the case of the many illiterate men registered in the several draft calls, the Legion men, with the aid of non-Legion volunteers, will continue to dig out the answers to the questions, often with the aid of an interpreter.

The meeting adjourned out of respect to the memory of a late Comrade, A. E. Francis of Newark, who recently passed away. There will be no meetings in August after the Post next meets on July 22.

## WATCH YOUR DRIVING SPEED: CITATIONS NEAR!

Highway Patrol officers of Alameda County have received orders to stop all motorists traveling in excess of 40 miles per hour according to an announcement today by Captain Louis Eike. Motorists so stopped will be warned they are violating their patriotic duty by wasting precious rubber.

The move is designed to conserve transportation because of the nationwide rubber shortage and follows instructions given Director James M. Carter recently by Governor Olson to stop cars traveling over the 40 mile limit laid down in President Roosevelt's proclamation.

Officers making such stops will examine the tires of the motorist. If deemed unsafe, a citation will be issued charging a violation of Section 679 of the Vehicle Code.

The officer also will check the operator's license to see that it has not expired and examine the registration certificate. If these are found in order and all equipment is deemed safe Captain Eike said, the motorist will be warned to stay under 40 and permitted to proceed.

## SPEEDERS HALED BEFORE JUSTICE COURT AT NILES

Speeders will not receive leniency at the Niles Justice court from now on, Justice J. A. Silva announced last week when 17 traffic cases, nine of them for speeding, were called before him. Some of those were stopped for driving 60 miles an hour. Speeders will be stopped and warned to obey the Presidential proclamation of 40 miles an hour, according to His Honor.

Bench warrants will be issued for the apprehension of traffic violators who fail to appear at the time marked on their tickets, unless they provide the court with a valid reason in advance and ask for an extension of time, he warns.

## DECOTO JAILED ON DRIVING CHARGES

Joe Hilario Martinez, 28 of 531 Eighth Street, Decoto, was sentenced to 35 days in the Alameda County Jail on conviction of two traffic violations by Judge J. A. Silva at the Niles Justice Court.

The defendant pleaded guilty to reckless driving and operating a car without driver's license. The jail sentence was pronounced in lieu of \$105 fine.

## COMMITTEE MEETS; FUTURE MEETINGS AT CALL OF CHAIR

CENTERVILLE — Eight committee chairmen of the Township Defense Coordinating Committee met Friday evening in the Justice courtroom here with Chairman F. T. Dusterberry presiding. Attention was given chiefly to arranging for the Township-wide citizens identification tag sign-up and distribution which was completed, with tags issued at all the elementary schoolhouses in the Township, this Tuesday and Wednesday. Mrs. W. L. McWhirter was Township chairman of this activity.

Future meetings of the committee will be held upon call of the chair, rather than once each month as in the past. Some attention was given to posting signs to designate the locations of Disaster Centers.

## 92 LIONS KILLED

SAN FRANCISCO — During the six months period, January 1 to June 30, 1942, a total of 92 lion skins have been turned into the State Division of Fish and Game for bounty. Forty-eight females were killed and forty-four males. A bounty of \$30. was paid on each female and \$20. on each male. The lion kill for this year as far below that for the same period during 1941, when 146 was the reported kill to June 30.

The benefit party planned at the Niles Congregational Church by Mrs. William H. Ford for July 28 has been postponed to August 25, this office is advised.

## MONDAY IS LAST DAY TO APPLY FOR CANNING SUGAR!

Next Monday July, 20 is the last day individual users of sugar in Washington Township may apply for extra canning sugar, the Township Rationing Board at Niles advises the public. Hours from 1 to 4:30 p.m. only.

Only those previously registered in this Township are eligible to apply at this Board office.

Ranchers having five or more ranch hands or seasonal workers, in addition to the family group, who board their employees, even though only for a few weeks, are entitled to register as institutional users and may apply for an extra allotment of sugar the Board announces.

Regular Sugar Stamp No. 5 is good for two pounds of sugar if presented to your grocer before Saturday evening, July 25.

Stamp No. 6 is also good for two pounds of sugar if used between July 27 and August 22.

In addition, Stamp No. 7 has been designated as a "bonus" stamp and entitles the holder to an extra two pounds of sugar if presented with Stamp No. 5 or 6 between this date and August 22.

## MOTORCYCLE HILL CLIMBERS RUN INTO "SNAGS"

Lime markings on a small hilltop west of Niles announces a motorcycle hill climb will be held there next Sunday, July 19, but it is doubtful if it will be held; too many legal snags.

In the first place, those promoting the race started to burn off the grass, evidently without a permit. When the Niles Fire department took a run up to see what it was all about the grass-burners challenged the authority of Chief A. M. Alves of Niles, with the result deputy sheriffs arrived and put a different light on the matter.

Meantime, a recent order from the tire conservation division of the WPB has banned all automobile or rubber-tired vehicle races for the duration, to stop the wasting of rubber.

It is just likely there won't be any tire-burning hill climbing this Sunday near Niles, — or any other Sunday until the war is won.

## NEW DRIED APRICOT PRICES NAMED BY AMA

SAN FRANCISCO — New prices to West Coast producers selling natural condition dried apricots to the Agricultural Marketing Administration for Lend-Lease and other uses were announced today by the U. S. Department of Agriculture.

The new grower prices will average roughly \$350 per ton for dried apricots and \$260 per ton for pears. These averages are about \$40 per ton for each fruit over the prices announced June 20. Officials said the revision was necessary to encourage maximum production of these fruits by assisting producers in meeting increased production costs, and to fruits used for drying with those used for canning.

The apricot price increase is distributed over the three quality and six size grades. The quality grades were developed at a conference in San Francisco between growers and AMA officials.

## NEWARK FIREMEN BURN GRASS LOTS

NEWARK — The Newark Auxiliary Fire Department held their twenty-seventh meeting Tuesday evening at the Newark Fire Station with Chief Paschote presiding. This group was organized in December 1941 to assist the regular department in fire fighting and especially be on the lookout for fires during a blackout.

Both regular and Auxiliary firemen have been burning grass to reduce the source of fire hazards in Newark. This clean-up is not only a benefit to the department, but a protection to the owners.

## LOCAL HOMES DESIRED FOR MENTAL PATIENTS

More than \$10,000 is now being shared every month by more than 100 California farm and small town families in return for boarding carefully selected State Hospital patients, and more such homes are being sought by the State Department of Institutions, it was announced today.

The State pays \$25 per month for each patient to householders with spare room. The State supplies clothing and any medical care needed. Patients are selected with extreme care, and prove cooperative and companionable, it was declared. They are encouraged to do light chores and help around the home, and more than 400 such patients are now happily living in private homes, the Department said.

Any Washington Township homeowner wishing to join the program should write to the Department of Institutions, Sacramento.

## HUNGRY SAILORS WILL GATHER FRUIT; PHONE LAKEHURST 3-2644

SAN LEANDRO — San Leandros who have fresh fruit going to waste are asked to call Capt. Edward Maloney, Lakehurst 3-2644, extension 20, at the Alameda Air base and he will be glad to send men out to get the fruit, and even pick it if necessary.

The Air Base is short of fresh fruit, according to a report in the last issue of the San Leandro News Observer.

Washington Township growers who have 'cots or other fresh produce going to waste might risk a ring to the address above, and thus contribute their bit to Uncle Sam's war effort.

Given: hungry sailors at the Air Base vs. fruit going to waste in Washington Township. A phone call will put men where the fruit is and the fruit where the men's appetites are!

## WAR WIDOW WORKS IN NILES TILE PLANT

A year ago she was a senior student at the Washington Union high school at Centerville. Eight months ago she was a bride. Today she is Washington Township's first war widow and is glazing tile at the Kraft tile plant, near Niles, for Army barracks.

Mrs. Katherine Azeveda of Mission San Jose is one of a half dozen girls who, for the first time, have invaded the department at the Niles plant where tile are given the finishing touches before being shipped to various points for construction of army quarters.

Her husband, Ernest, met death by drowning in Canada several weeks ago and was given military rites at Hayward before his burial here. Members of Veterans' organizations of Hayward and Niles officiated at the ceremonies.

## TRAINING IN MISSOURI

Lieut. J. L. Pearson, formerly of Niles, is now stationed with Co. C, 30th. Battalion, Engineers Reserve Training Camp at Fort Leonard Wood, Missouri, according to word received by friends here. He writes it is a very large Army station and that the weather is sultry. There is little to do at night, he says, as the camp is situated 26 miles from the nearest town, which is smaller than Niles.

## WINS PROMOTION

CENTERVILLE — Richard Sparrowe, elder son of Mr. and Mrs. R. A. Sparrowe, of Centerville, has been promoted to the rank of sergeant in the U.S. Army Air Corps. He is stationed at a California training base at present.

## CORRESPONDENTS!

... will be paid for their work this week and fast, even though there was not room to publish it. — Have to enlarge the paper next week notwithstanding shortage of help. — carry on!

— The Editor.

### PHONE FROM HAWAII

Mrs. F. H. Smith of Niles, and her daughter, Mrs. Clifford Oliver, who recently arrived here from Hawaii, were thrilled on Tuesday evening to receive a long distance telephone call from their husband and father, Chief Warrant Officer Smith, on duty at headquarters at Fort Shafter, T. H., saying he was fine. Mrs. Smith and her daughter are making their home temporarily with Mrs. Ivy Cull near Niles.

## NATIVE SONS PUSH WESTVACO FOR TOP POSITION

WESTVACO STILL  
LEADING LEAGUE BY  
ONE GAME MARGIN

NEWARK — The Washington Township Softball league, which is now drawing to a close in the second half, still finds the Westvaco Club from Newark perched in first place by a one game margin over the second place club, Native Sons and Occidental. The Wedgewood club from Newark continuing on its drive for the first division, after winning two games this week.

Although Westvaco actually lost two games last week and are still situated in first place, they must consider themselves as being a fortunate team to still lead the league. In the second game Westvaco played last week with Central Chev. they were defeated 3 to 2 but the win was reversed as Central Chev. was not able to stage ten of their regular players on the field. The standings of the league last Wednesday evening found Native Sons and Westvaco tied for first place with The Sons having a good opportunity to take over first place when they met the Wedgewood Club from Newark last Friday; but another upset took place when Wedgewood shutout the Sons and that automatically gave Westvaco first place again in the league.

Last Monday evening Native Sons and Westvaco, set an all-time record in the league when they played a softball game of seven innings in 38 minutes. This game was also a nip and tuck battle with Native Sons scoring one run on an error in the first inning to finish the scoring for this game. Ornellas, winning pitcher for Westvaco also allowed two hits. The Native Sons also performed two swell double plays.

On Friday evening in the second game Wedgewood cinched the game in the fifth inning when Manuel Vargas, playing manager for Wedgewood, hit a home run into right field against Native Sons. Wedgewood's final run was scored in the seventh when two batters were issued bases on balls, a stolen base, and a basehit.

Results of last week's games:  
On Monday evening Native Sons nosed out Westvaco 1 to 0; while Woodmen of the World in the second game trounced Central Chev. 15 to 5.

Wednesday evening Wedgewood defeated the Knights of Columbus 8 to 3; while Central Chev. in the second game scored a surprising win over Westvaco, although Westvaco received credit for the win because of a shortage of regular players on the Central Chev. team.

Friday evening Occidental nosed out the Knights of Columbus 5 to 3. Wedgewood in the second game scored a surprising win by shutting out last year's champions, Native Sons 2 to 0.

There was a large crowd present at Monday's games last week, which was Westvaco Night. The fans enjoyed the stunts and entertainment performed by Westvaco who tangled with Woodmen of the World.

Games for next week follow:  
On Monday evening the Knights of Columbus meet Native Sons, while Central Chev. will do their best to upset Woodmen of the World in the second game.

Wednesday evening Wedgewood vs. Central Chev., and Knights of Columbus vs. Westvaco in the second game.

The best game for this week will be played on Friday evening when Occidental meets the league leaders, Westvaco; and Wedgewood, the most improved team in the second half, will clash with the dark horse team, Woodmen of the World.

Don't forget, softball fans, the Washington Township Softball league comes to a close, July 31 — if you still have not attended a softball game — make it a point to attend Friday night's games.

## LANDLORDS MUST REGISTER AT NILES POSTOFFICE

TOWNSHIP HOME OWNERS  
WHO RENT HOUSES MUST  
REGISTER BY JULY 21

Washington Township residential landlords who rent apartments or rooms or full houses must fill out a questionnaire at the Niles Postoffice before the close of business next Tuesday evening.

Miss Marcella Stivers, Irvington school teacher was on duty at the Niles Postoffice all day Wednesday and Thursday helping with this work.

Seven direct questions and an explanation of services rendered their tenants are included in the government's rent control forms to be filed by landlords in this district by July 21.

Questions include instances where (1) the property was occupied on March 1, 1942; (2) facilities and services to the tenant were not changed since that date, and (3) where no "major capital improvements" were made on the property between March 1 and July 1.

The rent-control act, which went into effect July 1, provides that no landlord may now charge a rate higher than that prevailing for the same quarters and facilities on March 1, 1942, except under certain conditions.

Carbon copies of forms filed by landlords will be mailed to their tenants with this message: "This is a copy of the Registration Statement for the dwelling unit you occupy, as submitted by your landlord. Unless otherwise notified by the Rent Director, you shall not pay more than the Maximum Legal Rent as stated on Section C, Item 7, regardless of any lease or other agreement.

"You are entitled to and should be receiving the equipment and services reported as included in the rent in Section D. If you disagree with any of the statements, list your objections and mail to your local Area Rent Office within 15 days."

The tenant, thus, knows whether he is paying more than the legal rate for his dwelling. If overcharged, an adjustment must be made by his landlord. While the rent act means, generally, that March 1, 1942 levels must be maintained, Item No. 5 provides for explanation of condition which enables a landlord to legally levy a higher rate.

Dr. Benedict issued the warning:

"The rent-control act requires every landlord renting living accommodations, either occupied or offered, to register for this program. This includes, also, families who rent out one or more than two rooms of their own residence.

This is not merely a request on the part of the government, but a compulsory measure which has been enacted as a war measure in the effort to combat inflation. "The law provides heavy penalties for failure to register, as well as for falsification of statements.

Penalty for failure to register, or for "willful evasion or falsification," is \$5,000 fine, or one year in jail, or both.

Landlords must file a return for each separate unit rented by him.

Registration center for Washington Township is the Niles Postoffice.

## Coming Events

**FRIDAY**  
Washington Township landlords have until next Tuesday to sign up rentals charged tenants, at Niles Postoffice only.

**MONDAY**  
1 to 4:30 p.m. Last day for individual canning sugar users to register at Rationing Board in Niles.

**TUESDAY**  
7:30 p.m. Niles First Aiders participate in practice incident at Alvarado.

**WEDNESDAY**  
8 p.m. Washington Township Post, American Legion elects officers.

### PUBLIC (LEGAL) NOTICE

NOTICE FOR PUBLICATION — ISOLATED TRACT

### PUBLIC LAND SALE DEPARTMENT OF THE INTERIOR

U. S. Land Office at Sacramento, California, June 1, 1942.

NOTICE is hereby given that, as directed by the Commissioner of the General Land Office, under provisions of Sec. 2455, R. S., pursuant to the application of Josephine Garbini, Serial No. 033682, we will offer at public sale, to the highest bidder, but at not less than \$2.00 per acre, at 10:10 o'clock a. m., on the fourth day of August, next, at this office, the following tract of land: NW 1/4 SE 1/4, sec. 26, T. 4S, R. 3E, M. D. M., California. "This tract is ordered into the market on a showing that the greater portion thereof is mountainous or too rough for cultivation."

The sale will not be kept open, but will be declared closed when those present at the hour named have ceased bidding. The person making the highest bid will be required to immediately pay to the Receiver the amount thereof.

Any persons claiming adversely the above-described land are advised to file their claims, or objections, on or before the time designated for sale.

Ellis Purlee, Register. Published in The Township Register, Niles, June 19, 26, July 3, 10, 17, 24, 1942.

### CARD OF THANKS

We wish to extend our heartfelt thanks to all our friends for their kindness during our bereavement, the loss of a beloved husband and brother. We also wish to acknowledge with thanks the many messages of sympathy and beautiful floral offerings.

Mrs. Anna M. Francis  
and  
The Francis Family

### NEWARK

Eugene Pashote  
Correspondent

Word was received in Newark Tuesday of the death of Mrs. Rita Silva of Milpitas, who passed away at her home after a long illness. She was the mother of Mrs. Margaret Pashote of Newark and son-in-law of Newark Fire Commissioner, Albert Pashote. Other survivors reside in Santa Clara County.

An employee working on new construction near the Westvaco Chlorine Products Corporation on Sunday crushed his leg and was rushed to a hospital in the Chapel of the Palms ambulance.

The Sheriff's Office of Hayward was called twice within a half hour Saturday evening to check minor disturbances, one a fight in Newark, and the other, suspicious characters lurking near an industrial plant.

Frank Neves and Frank Guido spent Sunday at Pittsburg bass fishing. Neves caught several bass.

The Newark Sportsmen Club met Tuesday evening at Butler's Hotel with R. A. Jolly presiding. Plans were made for their invitational dance Saturday evening, July 18 at the Newark Pavilion. A skeet team was formed under the management of Nick Lewis.

Stanley Majeski and E. J. Keener spent 10 days at Buck's Lake fishing and each brought home a limit.

(Held over from last week)

George Butler, Willard Raber, and George Sullivan spent Monday trout fishing at Twin Lakes near Jackson. Each caught a limit of trout.

Mr. and Mrs. Henry Fields and son Clifford, and Mr. and Mrs. Edward Costa and Patricia and Shirley Costa spent the holidays at Boulder Creek, camping and fishing.

Mr. and Mrs. J. L. Martin spent July 4 in Oakland attending the boat races.

Gladys Rose and Margaret Ashton of Niles and Leona May of Newark spent the July 4 holiday visiting friends at Atascadero in San Luis Obispo County.

Identification tags to be worn by the public were distributed in the town of Newark on July 14 and 15 at the Newark School with Mrs. Sam Scott as chairman for Newark.

The Laddies Auxiliary of the Newark Fire Department have resumed their meetings on Monday evenings again due to the majority of members now being employed in industrial plants and canneries.

Mr. and Mrs. T. C. Gunn spent the weekend at Clear Lake.

Mrs. Sam Scott left Thursday on a short visit to Great Falls, Montana.

Mr. and Mrs. Louis Calderia and daughter Loretta spent July 4 at Atwater visiting relatives and friends.

Mrs. Ollie Prasheo and Mrs. Mals Kerum of Stockton spent the weekend here visiting Mr. and Mrs. Julius Veigel.

Mr. and Mrs. Stanley Roderick, Clarence Soito, Mildred Dias, Henry Marshall, and Frank Overacker spent the holiday at Sycamore Park, camping and fishing.

Mr. and Mrs. Joe Calderia and family spent July 4 at Alum Rock.

Mr. and Mrs. Paul Gygas and Mr. and Mrs. Fred Mulier spent July 4 and 5 at Paradise Park in the Santa Cruz mountains.

Sam Scott and family spent last week at Yosemite.

Mr. and Mrs. Frank Nevis and

family spent July 4 bass fishing at the Berkeley Pier. Nevis returned home with a striped bass weighing four pounds.

Mrs. Marie Silva of Newark left Friday evening by train to join her husband, Staff Sergeant Raymond Silva in Texas.

Mr. and Mrs. Arthur Biddle spent July 4 at Paradise Park in the Santa Cruz mountains.

Frank and Victor Sarmiento of Newark and Lester Watkins of Decoto spent July 4th fishing near Tracy.

Mrs. Daisy Cooper, former Newark Librarian, now of Chico spent the weekend here visiting old time friends.

Relatives and friends greeted Bill McTeer when he arrived in Newark Monday to spend the day.

Private McTeer of the United States Army is stationed at Texas. He will spend a week at Hayward.

Mr. and Mrs. Lee Wilson returned home Sunday after spending several weeks vacationing at Clear Lake.

Little Diane Waynflete entered St. Luke's Hospital in San Francisco last Friday where Dr. Leo Eloesser did some more work on her injured hands. She returned to her parents' home on Tuesday night. She returns to the hospital again on Saturday for another "patching" job.

The Salinas Rodeo will not be held this year as the rodeo grounds are being used as a Japanese Assembly center.

### U.P.E.C. INSTALLS

IRVINGTON — The U.P.E.C. no. 54 of Irvington received the official visit of the Grand President, Mrs. Mary D. Souza of Hanford recently. Many other grand officers representing other councils were also present. Mrs. Mary L. S. George, district deputy installed the officers for the term terminating July 1, 1943. Those who were installed were: Pauline Bettencourt, President; Flossie Leal, vice pres. Lucille Day, Sec; Minnie Silva, Treasurer; Minnie Abrew, Mistress of Ceremony; Beatrice Enos, Marshall; Marie Silveria, inside guard; Mary Nunes, past pres. Directors, M. G. Leal, M. C. Perry and M. Garcia; and Pianist, Miss G. Mozzetti. Refreshments were served after the meeting.

## SAFEWAY Homemakers' Guide

\* A list of money-saving foods  
\* A timely story with a moral

This is a lesson  
in shopping  
that's worth reading

Because the war has made "time" more precious than ever before, it has become practically a patriotic duty to streamline our daily schedules as much as possible. This means our food buying habits must change. For one of the best ways to save time is to cut shopping trips down by planning menus and market lists a week in advance. These suggestions from the Safford Homemakers' Bureau should help you in your planning.

Perishability is the best guide for dividing off your purchases. Staples like flour, salt, potatoes, canned and packaged goods can be bought weeks in advance. It's wise to replace them as soon as they're used, so you won't be caught short and, too, so you won't have to carry huge armloads at the end of the week.

Extra-heavy purchases can be saved for times when you'll have your car or can share a neighbor's, lightening your bundles on other days. And another thing, enough citrus fruits, bacon, coffee, butter, and eggs can be bought all in one trip to last a week or more. With these out of the way early in the week, you'll need to think only about buying perishable foods.

Foods that will keep 3 to 4 days without spoiling include most meats; vegetables like carrots, turnips, beets, parsnips, squash, egg plant, corn, tomatoes; most under-ripe fruits and the like. Buying these foods in advance saves extra shopping trips.

The most perishable foods, those which will keep only a day or two, are fresh green and leafy vegetables; ripe fresh fruits; fresh fish, chicken, and ground meats; fresh dairy products; bread, cake, pastry.

To get your money's worth in vitamins and minerals, use fresh leafy and green vegetables the same day you buy them. As soon as you get them home, wash them quickly in a small amount of water, drain, and keep them in a covered container in the refrigerator until just ready to use. Don't pare or cut the vegetables until just time to cook or serve. Exposure to warm air, soaking in water, and cutting vegetables all tend to cause loss of vitamins and minerals.

Editor and Owner

### RETAILERS FOR VICTORY

War is replete with paradoxes — of which the Victory Luncheon of 1000 Retailers for Victory at the Palace Hotel in San Francisco provided many samples on Monday of this week. The retail executives dined from chiefs of metropolitan one-man village shops — yet no man talked of his own business, his war problems, his merchandise curtailments and priority difficulties. Every man who attended in business to make money through selling — yet no speaker said a word about making a dime. The men worked to organize the greatest concerted sales campaign in California's history — yet not a single article of merchandise on a single shelf of any retailer's establishment was to be moved in the campaign.

The men were met to form plans to speed the Retailers for Victory program for selling war bonds and stamps through all retail channels. And perhaps the strangest paradox was the fact that each merchant while acting solely as agent for the Treasury Department, felt that he would be selling in his own personal interest the most precious commodity. In every bond sold by him he would be retailing safety for his country, his business, his home, his life and the lives of his family against the unspeakable tragedy that befell France.

In France the stores sold only luxuries and comforts — while the enemy prepared for the kill. In France the people failed to convert their cash income into armaments

— as America now knows she must do to survive.

Only the customer may profit financially in this sale — for the customer will receive all of his money back with generous interest in years to come. Another paradox, that! But each Retailer for Victory will work harder than ever he did in a sale that rang the cash register of money profit. For never again in his life, he knows, will he sell a thing so priceless as a U. S. war bond.

### ANOTHER SIGN-UP!

Landlords of Washington Township who rent houses to tenants have only until 6 p.m. next Tuesday to sign up at the Niles Postoffice the rentals charged their tenants on July 1 and on March 1, etc. according to orders received from the Office for Emergency Management.

The forms are made out in triplicate. One copy goes to the government, one copy to the landlord and one copy to the tenant.

Rents are "frozen" at the March 1 level, meaning no landlord may now charge his tenant more rental than the tenant paid on March 1.

Better step on it, you folks who have houses rented in this Township!

### SALES TAX RECORD!

SACRAMENTO — An all-time record in sales and use tax collections during the fiscal year ended June 30, 1942, it was announced today by Ivan C. Sperbeck, second district member of the State Board of Equalization.

Collections for the 1941-42 fiscal period amounted to \$131,354, 210.44, an increase of \$21,554,827, or 19.63 percent over the 1940-41 fiscal year. Board records revealed. The 1940-41 total was \$109,799,382. "It is highly unlikely that this high level of collections will continue through the current 12 month period," Sperbeck said. "Sales and use tax assessments already are reflecting the results of priority restrictions."

"This is particularly true in the case of motor vehicles and automotive equipment, a class of retail sales which in past years accounted for as much as 23 percent of total sales and use tax collections. Comparable reductions in the income from the sale of other types of merchandise made up of strategic materials, may be expected. As a result, a reduction in income from these sources is inevitable."

ANOMOLY! With a million new citizens in California since last year, registrations of voters have declined 15 percent! Why?

A lot of the new "citizens" are soldiers who don't know where they will be on election day. Some of them are defense workers, still receiving relief checks from their home states. A lot of the newcomers, like a lot of the rest of us natives, were too lazy or indifferent to register while they could.

Not a pretty picture for an important political year!

INITIALS: WMC is War Manpower Commission.

The OWI is the Office of War Information.

The ASC is the Army Specialist Corps, a stepped-up branch of the regular Army. It will enlist 11,000 men to the end of this year . . . and now has 190,000 applications on hand. Your chance to get in is 1 in 18.

—ww—

OUR GOVERNMENT, while boo-hoing about the rubber situation and reconciling itself to the present Jap-caused stringency makes no allowance at all for the potent possibility of our recapturing the Dutch East Indies. —A surprise sortie would do it.

Is our great and powerful Navy only good for convoy duty?? I think not. Meantime there seems to be a paucity of ideas among our strategy-makers at Washington, as emphasized often by many syndicated columnists of national reputation.

—ww—

LEON HENDERSON, highly paid chief of the OPA has been anxiously asked by civic groups to tell them how his various complicated rulings work. He will be glad to oblige, at \$250 per "sermon" . . . Why should the public pay a high-paid executive the second time for telling them what it all about? This is adding insult to injury!

This is according to Ray Tucker's "National Whirligig" of July 13.

Tucker goes on to say FDR "enjoyed his greatest laugh in weeks" when Pretty Boy Ickes got all tangled up in his efforts to explain gasoline rationing to a national magazine (for \$150). The Army and Navy censors blue-penciled 90 percent of Ickes' saga as being incorrect.

Should our President laugh at the inefficiency of one of his parlor pets?

Perhaps I am too naive? Or just hick dumb? Yet We The People prefer honesty and capability in governmental high places.

—ww—

WHAT A different spirit is abroad in this war! By the third month of the last war, any able-bodied young man who was not in uniform was looked upon as a deserter by his girl friends, and even by his parents and relatives.

This war is now in its eighth month and a lot of eligible young men are still enjoying their civilian pursuits and privileges. We, The People are a lot more casual about this war than we were about the other one.

For one thing, there are a lot more nations fighting on our side now than there were then; although nearly all the South American Republics, lacking navies and armies are of but little use to us in a military way.

This is a queer war in many ways: our enemies are inhuman and brutal; they make sport of international law and accepted civilized conventions, yet our government still treats with them as gentlemen. What's the use? "To teach a dog you must know more than the dog" the old saying goes.

—ww—

YOUR EDITOR spent last Friday at the Presidio in San Francisco, trying to find out how he could get into Uncle Sam's uniform for the third time in his funny life. (More about this anon.)

Was surprised to find two-thirds of the staff in all the Army offices, from General DeWitt's down, were girls and women. Never happened before! — Seventeen years ago when your scribe was on duty at H. Q. at Fort McDowell, Angel Island, not a woman was allowed on "the Rock" except on visitors' day. Times dew change!

—ww—

### NOTICE

### NILES LOCALS

Miss Rosemary McDonald  
Correspondent

Mrs. W. T. Lindsay of Niles accompanied Mrs. Barton Webb to Scout Camp at Mather in the high Sierra on Friday, where the former joined her husband for the weekend. He is camp director of the big summer camp there.

The members of the Board of Trustees of the Niles Congregational Church met on Thursday evening of last week at the home of A. B. Leask to attend to routine matters. "A work party" was held Saturday afternoon at the Church, cleaning up the weeds on the street side by the entrances.

Aren't the new 3c value Victory stamps bewful? They look so much better than the tiresome old Defense stamps. Uncle Sam is no longer on the defensive. Ask Jimmy Doo-A-Lo!

Leonard Osmond of Hayward, as speaker of the day spoke on vocational matters at Thursday's luncheon meeting of the Niles Rotary Club held at the Hotel Belvoir. John Stojanovich was program chairman.

Harriet Dias is spending the summer in Nevada visiting relatives.

### DIRECTIONS GIVEN ON TREATMENT OF GAS BURNS

By Dr. Ward L. Mould  
Medical Gas Officer  
U. S. Office of Civilian Defense

(This is the fifth of a series of six articles about war gases, their characteristics, and measures the civilian can take to protect himself against gas injury)

This article will present a few simple rules by which war gases may be prevented or modified. If mustard or lewisite are used, the most serious injuries will result from the liquid agent. Therefore, during a raid, remain inside, or go inside if you are out of doors.

Remember that war gases are heavier than air, and will cling to the ground. You can get away from the vapor by avoiding basements and other low places. Even after a raid, it is better to remain inside a building than to try to leave the gas area unless so directed. Your air raid warden will guide you to safety when it is safe for you to move.

### Basic Rules for Self-Aid in a Gas Attack:

1. Self-aid is the best aid for the prevention of injuries due to war gases. War gases are usually not dangerous if you take steps immediately to remove them from the skin and eyes. Effective means to accomplish this are in the kitchen and bathroom of every home.

2. If you are inside a building, remain there and go upstairs. Do not leave your house unless it is absolutely necessary. If you are outside and not able to get indoors, immediately walk — don't run — to get out of the gas area. Avoid puddles of liquid gas, basements, valleys and other low places.

3. If you have been exposed to a war gas —

a. Breathe through cloths wet with baking soda solution.

b. Get inside a building of possible, but first remove your outer clothing and leave it outside.

c. Wash your hands first, and then your face, with laundry soap and water.

d. After cleaning your hands, wash your eyes at once with a large amount of a solution of baking soda; one teaspoonful of baking soda in a glass of water.

e. Take a bath, using plenty of laundry soap.

f. Wash your eyes again with baking soda solution.

g. If splashes of liquid gas have gotten on you —

A. Using small pieces of cloth, cleansing tissues or toilet paper, blot up as much of the liquid as you can being careful not to spread it.

b. Daub the contaminated area with cloths wet with bleaching solutions containing sodium hypochlorite, such as, Clorox, etc.

c. Follow directions b, c, and d in 3 above.

5. Never get excited. Lie down and cover yourself with a blanket. Medical aid is on the way. There is no immediate danger from exposure to any known war gas.

(Next week — The Anti-gas organization in your City)

### ST. JUDE'S Y.L.I. INSTALLS OFFICERS AT IRVINGTON

IRVINGTON — On June 27 at Leal's Hall newly elected officers of the St. Jude institute No. 163 of Irvington were installed at a public installation. Deputy Noel Marquis of Oakland installed the officers, assisted by Anna Edwards, Olive Faro, Charlotte Hooper, Helen O'Brien and Ruth Brown.

The newly elected officers are: Past President, Anne C. Rose; Pres. Anne Perry; 1st vice pres. Esther Goulard; 2nd vice pres. Beatrice Enos; Marshall, Irene Harvey; Outside Sentinel, Winifred Fernandez; Inside sentinel, Mary Borge; Rec. sec. Gertrude Mozzetti, Fin. Sec., Mary Frietas; Treasurer, Pearl Guardanapo, Trustees, Lena Lemos, Sally Souza, Adeline Harvey Mary, Rogers and Adina Leal. There were eight candidates initiated including Dorothy Frietas, Elvera Santos, Irene Mendoza, Mae Avilla, Irma Marks Minnie Rogers, Anne Castro and Mabel Enos.

### DISCUSSION GROUP ENJOYS OUTDOOR MEETING ON JULY 2

DECOTO — The Decoto Discussion group was very enjoyably entertained on Thursday, July 2 at the home of Mrs. Leontine Costa. The guests met at one o'clock in the garden which furnished a very cool and attractive meeting place.

The subject was the Short story and the program was in charge of Mrs. Elsa Walker. Twelve outstanding stories from French literature were discussed as to form and style and selections were read by the members.

Iced tea, punch and cookies were served at the close of the meeting.

The public speaking drill was postponed to the August meeting owing to lack of time.

The next meeting will be held August 1, at the home of Mrs. Amy Brown. A barbecue lunch will be served after which two plays, Life with Father and There Shall be no Night will be discussed and parts read. "The Moon is Down" by John Steinbeck will also be discussed as dramatic material.

Mrs. F. H. Smith and Mrs. C. B. Oliver were among the guests of the Hayward Rebekah Lodge last Thursday evening. The installation ceremonies were conducted by Mrs. Ethel Garner, District Deputy of District 7.

Billy Harold Cull of Richmond spent the weekend with his grandparents, Mr. and Mrs. William D. Cull here.

The next regular meeting of the Niles Rebekah Lodge will be held July 17 according to Sena Carr, Noble Grand. A social hour will follow the business session. Refreshments will be served by Ellen Mohn, Elsie Soito and Lilly Butterfield.

c. Follow directions b, c, and d in 3 above.

5. Never get excited. Lie down and cover yourself with a blanket. Medical aid is on the way. There is no immediate danger from exposure to any known war gas. (Next week — The Anti-gas organization in your City)

# DEFENSE PHOTOS NOW ON SALE AT REES DRUG STORE

Photographer D. R. Rees at Niles has for sale to the public some fine pictures of the Niles Fire Department, the Niles Mobile Unit and the Niles Observation Tower, together with Niles firemen and mobile unit operators. These pictures can be mounted and in enlarged sizes.

Mr. Rees is agent for the Bear Photo service which gives quick service for your home snapshots and can make enlargements to any size desired.

On the side he is Township Registrar for birth records and other vital statistics.

Along with his drug and toilet articles he has a nice line of birthday and other greeting cards for all occasions.

If no other business takes you into his place of business, you can pay your telephone bills there, and enjoy a chat with the genial proprietor!

# NEWARK BALL CLUB DEFEATED BY SAN JOSE YANKEES

NEWARK—The Newark Sportsmen baseball team under the management of Joseph Dias lost their first ball game in several months to the St. Joseph Kennel Yankees of San Jose by a score of 9 to 5 at the Newark School diamond Sunday afternoon. J. O. O'Brien was the winning pitcher and held the powerful hitters for the Newark club hitless. C. Stewart for Newark was credited with the loss, although Roy Duarte relieved Stewart in pitching in the final two innings.

Newark scored three of their five runs in the last inning when Ralph Chapman, sensational infielder for the Newark club, hit a triple with the bases loaded. Rollick for Newark also hit a triple.

Newark is scheduled to play an Oakland club Sunday at the Newark school diamond.

# EVERYTHING HAPPENS TO KYSER IN NEW FILM

The troubles which beset a popular band leader when he is detailed by the government to run down enemy agents who are utilizing his orchestra to transmit military information forms the basis of "Spy," starring Kay Kyser.

Kyser's activities throw him into close association with a beautiful woman secret service operative, and his bride innocently betrays him into the hands of the very men he is trying to unmask.

How he escapes their trap and encompasses their capture provides thrilling action and high tension. Music and hilarious comedy is skillfully mixed with the breath-taking complications of the film.

Ellen Drew is cast as the jealous wife and Jane Wyman plays the lovely spy. Helen Westley, Robert Armstrong, Una O'Connor, William Demarest, Ish Kabibble, Sully Mason, Marry Babitt, Trudy Irwin, Dorothy Dunn and the Kyser band are in the feature line-up.

This exciting picture may be seen at the Niles Theatre this Sunday and Monday.

Harold Kleinsasser of Niles has resigned his position at The Township Register and is working nights in the printing department of the California Packing Corporation in Oakland. He is still making his home with the Wayne family at Niles.

Alfred Addison Crane, brother of Clarence Crane, joined the navy and left for the east this week.

# CALIFORNIA IS \$75½ MILLION IN THE BLACK

State Controller Harry B. Riley today announced that California began its new fiscal year on July 1 with a general cash fund excess of \$13,861,400.

"For the first time in nine years we have entered a fiscal year with our books in the black," Controller Riley said.

"The state is better off by \$75,594,386 today than a year ago," he said. "We have wiped out the June 30 deficiency of \$61,732,986 which existed last year and have substituted a cash excess."

General fund revenue in the year just closed was the greatest in the State's history, totaling \$237,568,298, an increase of \$42,361,404 over the previous year's record yield.

Expenditures dropped from \$180,208,155 in 1940-41 to \$168,968,761 last year, a reduction of \$11,239,394, Riley said.

The sales tax, producing an average of \$355,249 per day, brought in \$129,766,097 in the fiscal year just ended, an increase of \$23,348,712.

Elimination of the unemployment (SRA) relief program last year resulted in a saving of \$23,423,771 to the State. Increased expenditures for other functions, however, partially offset this saving, the Controller explained.

# CONGRESSMAN'S WIFE GUEST AT LUNCHEON

Niles — Mrs. Roland Bendel was hostess at luncheon this week to Mrs. Albert Carter, wife of Representative Carter, recently returned to California from Washington D.C.

Amusing incidents of life behind the scenes in Washington were related by Mrs. Carter. Others present were Mrs. Jessie Williamson of Berkeley, Mrs. E. A. Ellsworth and Mrs. James R. Whipple of Niles and Mrs. Frank T. Dusterberry of Centerville.

# BANK'S RECORD IS APPLAUDED

Bank of America's mid-year statement of condition, which appears elsewhere in this issue, is pointed to by local officers of the bank as evidence of the institution's constantly growing ability to serve the entire state and, particularly, to continue major financial assistance to war production industries.

The bank's continued growth is attributed to devotion of the statewide staff to a policy of public service, to efficient management, and to the loyal support of customers whose savings and other surplus funds function as "fighting dollars" while on deposit.

# NEWARK FIREMEN PREPARE FOR BALL JULY 25

NEWARK — Do you know what big benefit affair is slated for Saturday evening, July 25 at the Newark Pavilion? — why, of course, the thirteenth annual Newark Firemen's Ball. Are you, Mr. and Mrs. Public of Newark and other communities of Alameda County coming to this dance? The committee headed by Louis Calderia, second assistant chief of the department is hoping for a large turnout. Tickets for this dance may be obtained from any of the Newark Firemen.

Al Davina and his ten piece orchestra from San Jose will provide the music. The Newark Pavilion is equipped for blackouts, but not in attendance, the firemen hope!

# GUEST SPEAKER

Private G. G. Groman of a Coast artillery anti-aircraft unit was guest speaker at last Thursday's luncheon meeting of the Niles Rotary club held at the Hotel Belvoir with C. W. Kraft as program chairman. The speaker, who is a college expert on lingual derivations spoke ably on dialectical derivations of English "as she is spoke" in the United States.

# Increasing Capacity of Statewide Bank to Spur More War Production

# Bank of America Mid-year Statement Shows Progress

The statement of condition of Bank of America as of June 30, 1942, shows deposits at the all-time high mark of \$1,958,430,000, an increase of \$272,942,000 over a year ago and an increase of \$50,047,000 since December 31, 1941. Total resources were \$2,143,202,000, a gain of \$265,464,000 over a year ago.

# LARGE LOAN VOLUME

Loans and discounts outstanding aggregated \$869,353,000 which is \$44,887,000 higher than a year ago. Since December 31, 1941, loans and discounts decreased \$25,216,000, while bond investments increased \$81,437,000.

Earnings after operating expenses and accruals for taxes were \$12,618,000. From this total \$2,335,000 was reserved for depreciation of bank premises and amortization of bond premiums and \$2,053,000 was set up in reserves and applied to the absorption of losses or the revaluation of assets. After payment of \$5,267,000 in dividends at the annual rate of \$2.40 per share on the common stock and \$2.00 per share on the preferred stock, and after profit-sharing bonus to employees, capital funds were increased from earnings for the six months' period by \$3,119,000. This, with the dividends, is equal to approximately \$4.00 per share per annum on the common stock.

# WAR RESERVES

Following the policy previously established, one-half of the net increase in undivided profits was transferred to the war contingencies reserve.

Capital funds, including reserves, now total \$158,767,000, which is an increase of \$2,024,000 for the year, after the utilization of \$3,882,450 to retire 77,649 shares of preferred stock during the period, and after applying \$842,000 of an unallocated reserve, previously set up for the purpose, to reduce the book value of certain banking premises, in addition to normal depreciation.

# WAR PRODUCTION

President L. M. Giannini stated that the curtailed demand for ordinary civilian credit had made more funds available to finance war production. "We are continuing to carry forward our policy of unstinted support to America's victory program," he said.

RESOURCES . . . \$2,143,202,620.43  
DEPOSITS . . . \$1,958,430,526.32  
CAPITAL FUNDS . . . \$158,767,671.61  
(As of June 30, 1942)

Bank of America N. T. & S. A., a member of the Federal Deposit Insurance Corporation, has 495 branches united for strength and service.

# NEWARK FIESTA IS BIG SUCCESS

Newark — The annual Holy Ghost fiesta held last week at the Newark Pavilion by the S. E. S. lodge of Newark turned out to be a financial success, and the fiesta committee wishes to thank all those who helped to make it a success. Due to the elimination of fireworks and a large parade as in previous years, an overwhelming crowd was present, which pleased the S.E.S. lodge.

Mass was held last Sunday at St. Edward's Catholic Church at 10 A.M. with Father McLaughlin officiating. The queen and her sidemaids for the fiesta were taken to the church this year by automobile for the first time in history. A free lunch was served Sunday, followed by dancing, carnival attractions, and auctioning. Frank Meneze was the president of the Newark fiesta this year.

Mrs. Catherine Parry, District Deputy President of District 53 held a school of instruction at the Niles Rebekah lodge last Friday evening. On July 27 Mrs. Parry will hold a school of instruction and make her official visit to the Pleasanton Lodge. On August 7, she will hold a school of instruction for the officers of the Alvarado Lodge and make her official visit there. On August 21 Mrs. Parry will make an official visit to the Niles Lodge and on Sept. 2 she will make her official visit to the Livermore Lodge.

Mr. and Mrs. Sydney Carr held a barbecue at their home on July 4th. Those present included Mr. and Mrs. William D. Cull, Billy Harold Cull of Richmond, Mrs. F. H. Smith and daughter, Mrs. C. B. Oliver, Mrs. Anna Bradford, Mrs. Rose Fournier, Mrs. E. Kennard, Fred Stearns of Oakland and Mr. and Mrs. Wesley Carr and son Bobby of Alameda.

John Bird of Berkeley, Miss Lila McKinne, Miss Marian Jones of San Francisco and Robert Elliot of Mill Valley spent a few days vacation at the home of Mr. and Mrs. J. C. Shinn.

Mr. and Mrs. Dan Marble, Mrs. Agnes Nihill and Miss Celeste Bunker attended the Ice Follies recently.

Mr. and Mrs. Leon Orcutt and daughter Jane returned last week from a two weeks vacation spent at Point Arena.

If you're traveling this year ... on private business, on government affairs, to an army camp or naval station to see your boy in the service, or just for a well-deserved vacation ... don't forget Travelers Checks!

Travelers Checks protect your funds ... guard you against theft ... come in convenient denominations from \$10 up and are cashable anywhere.

# No Vacation This Year for Your Appliances "It's a Wartime Necessity"

**Duration-ize**  
YOUR APPLIANCES WITH TIMELY REPAIR

Of course, You and Your Family are going to ease the tension of these war times with some kind of a vacation this year. It is going to be good for you and yours to relax and become a world of your own, apart from the world. But there will be no vacation for the appliances in your home.

Every one of your appliances will be used more because you will be at home more these days. You will be taking better care of your home and its furnishings. That puts wartime duty upon your washing machine, your range, your vacuum cleaner, your refrigerator, your iron or ironer.

So it is up to you to keep all of your home appliances running smoothly and efficiently. They are the mechanized equipment on the home front. Duration-ize with timely repair. You will be wise to do it while factory-made replacement parts are still available.
